Title: **BONE FIXATION PLATE**

REQUEST THAT ACTION BE RE-MAILED TO ATTORNEY OF RECORD

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Dear Sir:

The Examiner is thanked for the courtesies extended to Applicant's representative, Kristina Castellano, during a phone conference on April 13, 2007. The discussion related to the January 19, 2007 Office Action in the above-identified matter being mailed to Applicant's prior counsel at an address that is no longer in use, despite Applicant having filed a Revocation and Power of Attorney on May 19, 2005 directing correspondence to be mailed to the practitioners associated with Customer No. 43446. The Action was returned to the U.S. Patent and Trademark Office on January 25, 2007. Had the Action been mailed to the address on file for Customer No. 43446, Applicants would have received it.

Recently, Applicants attempted to associate this matter with Customer No. 68153, which is the appropriate new address to which correspondence should be mailed. In particular, the correspondence address is as follows:

**Globus Medical, Inc.
Attn: Brian Malm
Valley Forge Business Center
2560 General Armistead Avenue
Audubon, PA 19403**

To expedite the correction to the above mailing address, enclosed herewith is an updated Power of Attorney and a Statement Under 37 CFR §3.73(h).

Applicants respectfully request that the January 19, 2007 Action be mailed to the above-address with a new mailing date to restart the period for response. The Examiner is thanked again for his kind attention to this matter.

Please direct any inquiry regarding this matter to the below-signed attorney at 610-415-9000, or to Kristina Castellano at 571-278-8233.

Date May 8, 2007
Customer Number: 68153
